APPROVAL SHEETS

The undersigned below states that the thesis of the student:

Name : Aldi Meilana
Student Number : 41514010128
Faculty : Computer Science
Study Program : Informatics
Title : **An Android-based Mobile Application for Search Location
of Rental House**

Has been reviewed, approved, and accepted for thesis defence.

Jakarta, January 2nd, 2018

Approved and accepted

Coordinator of Thesis

ACKNOWLEDGEMENT

Praise be to Allah SWT who has bestowed all grace so that the report of this can be completed on time. Where the report of this thesis is one of the requirements to complete the undergraduate degree program in Informatics Department.

This thesis report still cannot be perfect. Therefore, criticism and suggestion will be welcome. This thesis report will also not be completed on time without assistance, guidance, and motivation from various parties. Therefore, with all humility, thanks will be conveyed to:

1. Mr. Raka Yusuf, ST, MTI as a thesis supervisor who has guided with his advice and knowledge in the preparation of this thesis.
2. Mr. Dr. Harwikarya as Dean of Faculty of Computer Science of Mercu Buana University.
3. Mrs. Desi Ramayanti, S.Kom., M.T. as the Head of Informatics Department of Mercu Buana University.
4. Mr. Andi Nugroho, ST., M. Kom as coordinator thesis of informatics department.
5. Mr. Ardiansyah, S.Kom., MTI as the secretary of the international class program of informatics department.
6. For my father and my mother, my brother, my sister and the whole family of writers, thank you for the outpouring of affection, encouragement, advice, motivation, and material sacrifices as long as the author pursued a study at the Faculty of Computer Science at Mercu Buana University.
7. Laenaldi Saputra who has helped me to develop the application.
8. Arrival Dwi Sentosa who has helped me to develop the application and give a suggestion.
9. Yoda Ramadhan which has helped make the application logo design.
10. My classmates who are in the international class of informatics.

11. My classmates who are studying at Beijing Institute of Technology.
12. All my friends who are studying at Mercu Buana University.
13. And my friends who can not be mentioned.

Final words with all humility apologize as much as possible for all the shortcomings and limitations in the writing of this thesis report. Hopefully, this final report can provide benefits to interested parties.
