ACKNOWLEDGMENT

Assalamualaikum Wr. Wb

Alhamdulillah Hirabbil Alamin, praise and prayed for the grace of Allah SWT who has given every blessing and greatness, so that researchers can complete the thesis Entitled Re-Adaptation Communication of Indonesian Exchange Students (A Descriptive Study of Indonesians Exchange Student at Sungkyunkwan University And Beijing Institute Of Technology).

Researchers are also very grateful to both parents, Ahmad Sanusi and Salhah for prayer, love and affection, thanks for the struggle Mamah, papah and beloved my brother Muhammad Ruslan who never tired in the slightest fight and motivate researchers in completing as one of the requirements to obtain a bachelor's degree 1 (S-1) communication, Field of Broadcasting.

Researchers hope that, God willing, this thesis could be a scientific paper that is beneficial to science donations. And if there is a shortage of both in terms of research and writing, it can never be separated from the essence of human life that can not escape from the shortage.

Furthermore, I would like to mention those who are also worth because of their kindness and support during my study in this college :

1. Sofia Aunul,M.Si as a supervisor and lecturer. Thank you so much for guiding researchers with sincerity, good and always introduce researchers with new knowledge that is very beneficial for researchers.
