ABSTRACT .................................................................................................................. ii
LEMBAR PENGESAHAN .......................................................................................... iii
PERNYATAAN .......................................................................................................... iv
KATA PENGANTAR ............................................................................................... v
DAFTAR ISI .............................................................................................................. vii
DAFTAR GAMBAR ................................................................................................. xii
DAFTAR TABEL ...................................................................................................... xiii
DAFTAR LAMPIRAN .............................................................................................. xiv

BAB I : PENDAHULUAN ....................................................................................... 1

1.1 Latar Belakang Masalah .............................................................. 1

1.2 Identifikasi, Perumusan dan Pembatasan Masalah ...................... 4
1.2.1 Identifikasi Masalah .......................................................... 4
1.2.2 Rumusan Masalah ............................................................. 5
1.2.3 Batasan Masalah ................................................................ 6

1.3 Maksud dan Tujuan Penelitian ................................................... 6
1.3.1 Maksud Penelitian ............................................................. 6
1.3.2 Tujuan Penelitian ............................................................... 6

1.4 Manfaat dan Kegunaan Penelitian............................................... 7
1.4.1 Manfaat Penelitian ............................................................. 7
BAB II : DISKRIPSI PERBANKAN DI BEI

2.1 Sejarah Perbankan di Indonesia

2.2 Sejarah Bank

2.3 Fungsi dan Peranan Bank

2.4 Aktivasi Perusahaan Perbankan

2.5 Profil Perusahaan Perbankan di Bursa Efek Indonesia

2.6 Pola Bisnis Perbankan

2.7 Tantangan Bisnis Perbankan

BAB III : METODE PENELITIAN

3.1 Kajian Teori

3.1.1 Teori Keagenan (Agency Theory)

3.1.2 Bank

3.1.3 Laporan Keuangan Bank

3.1.4 Rasio Keuangan Bank

3.1.5 Aturan Kesehatan Bank

3.1.6 Faktor-faktor Penilaian Kesehatan Bank

3.1.7 Rasio-rasio CAMELS

3.1.8 Laba

3.2 Penelitian Terdahulu

3.3 Kerangka Pemikiran

3.4 Hipotesis Penelitian
BAB IV : METODE PENELITIAN ............................................................... 53

4.1 Desain Penelitian ........................................................................ 53

4.2 Variabel Penelitian dan Definisi Operasional .............................. 53

4.2.1 Variabel Penelitian ............................................................... 53

4.2.1.1 Variabel Bebas ............................................................ 54

4.2.1.1 Variabel Terikat .......................................................... 54

4.2.2 Definisi Operasional ........................................................... 54

4.3 Populasi dan Sampel Penelitian ................................................ 56

4.4 Jenis dan Sumber Data ............................................................... 57

4.5 Teknik Pengumpulan Data ......................................................... 58

4.6 Teknik Analisis Data .................................................................. 58

4.6.1 Uji Statistik Deskriptif ....................................................... 58

4.6.2 Uji Asumsi Klasik ............................................................... 58

4.6.2.1 Uji Normalitas ............................................................ 59

4.6.2.2 Uji Multikolinearitas .................................................. 59

4.6.2.3 Uji Heteroskedastisitas .............................................. 60

4.6.2.4 Uji Autokorelasi ........................................................ 61

4.6.3 Uji Kelayakan Model ........................................................ 61

4.6.3.1 Uji Signifikansi (Uji t) ................................................ 61

4.6.3.2 Uji Signifikansi (Uji F) ............................................... 62

4.6.3.3 Koefisien Determinasi ($R^2$) ....................................... 63

4.7 Uji Hipotesis ............................................................................... 64
BAB V : ANALISA DAN PEMBAHASAN ................................................... 65

5.1 Gambaran Umum Penelitian ...................................................... 65
5.2 Pengolahan Data ........................................................................... 66
5.3 Statistik Deskriptif Data Penelitian ............................................. 67
5.4 Uji Asumsi Klasik ........................................................................ 69
  5.4.1 Uji Normalitas .................................................................. 69
  5.4.2 Uji Multikolinieritas ........................................................ 71
  5.4.3 Uji Heteroskedasitas ......................................................... 73
  5.4.3 Uji Autokolerasi ............................................................... 74
5.5 Regresi Linier Berganda............................................................ 76
5.6 Uji Hipotesis ............................................................................... 78
  5.6.1 Koefisien Determinasi (R^2) .............................................. 78
  5.6.1 Uji Pengaruh Simultan (F test) ........................................ 79
  5.6.2 Uji t (Uji Parsial) .............................................................. 80
5.7 Pembahasan ................................................................................ 83

BAB VI : KESIMPULAN DAN SARAN ........................................................ 86

6.1 Kesimpulan ................................................................................. 86
6.2 Saran ............................................................................................. 87

Daftar Pustaka ................................................................................................... 89
Daftar Riwayat Diri ................................................................................................ 92
Lampiran .............................................................................................................. 93
