LEMBAR PENGESAHAN SKRIPSI ........................................................................i
ABSTRACT ............................................................................................................iii
ABSTRAK .............................................................................................................iv
KATA PENGANTAR .............................................................................................v
DAFTAR ISI ......................................................................................................vii
DAFTAR TABEL ....................................................................................................xii
DAFTAR GAMBAR ................................................................................................xiii
DAFTAR LAMPIRAN ..........................................................................................xiv

BAB I PENDAHULUAN
A. Latar Belakang Masalah .............................................................................1
B. Rumusan Masalah .....................................................................................10
C. Tujuan Penelitian ......................................................................................10
D. Kontribusi Penelitian ...............................................................................11

BAB II KAJIAN PUSTAKA, RERANGKA PENELITIAN DAN HIPOTESIS
A. Manajemen Sumber Daya Manusia ..........................................................12
   a. Pengertian Manajemen Sumber Daya Manusia ...............................12
   b. Komponen Manajemen Sumber Daya Manusia ..............................13
   c. Fungsi Manajemen Sumber Daya Manusia .....................................14
   d. Tujuan Manajemen Sumber Daya Manusia .....................................15
B. Kepemimpinan Transformasional .............................................................16
   a. Pengertian Kepemimpinan Transformasional .................................16
   b. Prinsip Kepemimpinan Transformasional .....................................17
   c. Dimensi dan Indikator Kepemimpinan Transformasional .............18
C. Budaya Organisasi ......................................................................................20
   a. Pengertian Budaya Organisasi ........................................................20

http://digilib.mercubuana.ac.id/
b. Fungsi Budaya Organisasi ................................................................. 20
  c. Karakteristik Budaya Organisasi .................................................... 20
  d. Dimensi dan Indikator Budaya Organisasi .................................... 23
D. Stres Kerja ...................................................................................... 24
  a. Pengertian Stres Kerja ................................................................. 24
  b. Faktor- faktor yang Mempengaruhi Stres Kerja ......................... 25
  c. Dampak Stres Kerja ................................................................. 26
  d. Mengelolah Stres Kerja .............................................................. 26
  e. Dimensi dan Indikator Stres Kerja ................................................ 28
E. Kinerja Karyawan ......................................................................... 29
  a. Pengertian Kinerja Karyawan ......................................................... 29
  b. Faktor- faktor yang mempengaruhi Kinerja Karyawan ............ 30
  c. Manfaat dan Tujuan Penilaian Kinerja Karyawan .................... 30
  d. Metode Penilaian Kinerja Karyawan .......................................... 32
  e. Dimensi dan Indikator Kinerja Karyawan .................................. 33
F. Penelitian Terdahulu .................................................................. 34
G. Rerangka Pemikiran dan Pengembangan Hipotesis ................. 38

BAB III METODE PENELITIAN
A. Waktu dan Tempat Penelitian ...................................................... 41
  a. Waktu Penelitian .................................................................. 41
  b. Tempat Penelitian ............................................................... 41
B. Desain Penelitian ....................................................................... 41
C. Definisi dan Operasional Variabel ............................................. 42
  a. Definisi Variabel ................................................................. 42
  b. Operasional Variabel .......................................................... 42
D. Skala Pengukuran Variabel ......................................................... 45
E. Populasi dan Sampel Penelitian .................................................. 46
  a. Populasi Penelitian .............................................................. 46
  b. Sampel Penelitian ............................................................... 46
F. Teknik Pengumpulan Data .......................................................... 47
BAB IV HASIL DAN PEMBAHASAN

A. Gambaran Umum Objek Penelitian ................................................. 57
   1. Sejarah Singkat ........................................................................ 57
   2. Visi dan Misi .......................................................................... 58
   3. Tempat dan Waktu Penelitian ................................................. 59
   4. Karakteristik Responden ............................................................ 59
      a. Karakteristik Responden Berdasarkan Usia ......................... 60
      b. Karakteristik Responden Berdasarkan Jenis Kelamin ............. 60
      c. Karakteristik Responden Berdasarkan Pendidikan ............. 61
      d. Karakteristik Responden Berdasarkan Usia .......................... 62

B. Statistik Deskriptif ....................................................................... 63
   1. Deskriptif Variabel Kepemimpinan Transformasional ............. 63
   2. Deskriptif Variabel Budaya Organisasi ................................. 64
   3. Deskriptif Variabel Stres Kerja ................................................ 65
   4. Deskriptif Variabel Kinerja Karyawan .................................... 65

C. Hasil Uji Kualitas Data ................................................................. 66
1. Hasil Uji Validitas.......................................................................................... 66
   a. Hasil Uji Validitas Terhadap Variabel Kepemimpinan
      Transformasional .................................................................................. 67
   b. Hasil Uji Validitas Terhadap Variabel Budaya Organisasi .............. 67
   c. Hasil Uji Validitas Terhadap Variabel Stres Kerja ......................... 68
   d. Hasil Uji Validitas Terhadap Variabel Kinerja Karyawan ............. 69
2. Hasil Uji Reliabilitas .................................................................................. 70

D. Hasil Uji Asumsi Klasik ........................................................................... 71
   1. Hasil Uji Normalitas .................................................................................. 71
   2. Hasil Uji Multikolinieritas ........................................................................ 73
   3. Hasil Uji Heteroskedastisitas ................................................................. 74

E. Analisis Regresi .......................................................................................... 75

F. Hasil Uji Hipotesis ..................................................................................... 77
   1. Uji Koefisien Determinasi (R²) dan Korelasi ..................................... 77
   2. Uji Ketepatan Model (Uji F)................................................................. 78
   3. Uji Signifikan Parsial (Uji t) ................................................................. 78
      a. Uji Hipotesis Pengaruh Kepemimpinan Transformasional
         Terhadap Kinerja Karyawan ............................................................ 79
      b. Uji Hipotesis Pengaruh Budaya Organisasi Terhadap Kinerja
         Karyawan ....................................................................................... 80
      c. Uji Hipotesis Pengaruh Stres Kerja Terhadap Kinerja
         Karyawan ....................................................................................... 80

G. Pembahasan Hasil Penelitian .................................................................. 80
   1. Pengaruh Kepemimpinan Transformasional terhadap Kinerja
      Karyawan ............................................................................................ 80
   2. Pengaruh Budaya Organisasi terhadap Kinerja Karyawan ............. 81
   3. Pengaruh Stres Kerja terhadap Kinerja Karyawan ......................... 81

BAB V SIMPULAN DAN SARAN

A. SIMPULAN ................................................................................................. 82
B. SARAN ...................................................................................................... 82
