  a. Hasil Uji Normalitas ............................................................................... 48
  b. Hasil Uji Multikolinieritas ...................................................................... 49
  c. Hasil Uji Heteroskedatisitas .................................................................. 50
  d. Hasil Uji Autokorelasi .......................................................................... 52
D. Uji Kelayakan Model .................................................................................. 53
  a. Uji Koefisien Determinasi (R^2) ................................................................ 53
  b. Hasil Uji F ............................................................................................. 54
E. Pengujian Hipotesis .................................................................................... 55
  a. Hasil Uji t ................................................................................................ 55
  b. Analisis Linear Berganda ......................................................................... 57
F. Pembahasan .................................................................................................. 58
  1. Pengaruh Profitabilitas Terhadap Nilai Perusahaan ................................ 59
  2. Pengaruh Struktur Modal Terhadap Nilai Perusahaan ................................ 60
  3. Pengaruh Kepemilikan Manajerial Terhadap Nilai Perusahaan ............... 61
