ABSTRACT

Film is an effective media to deliver a message. Nowadays, documentary film has a big role in society. Based on its category, genre, and purpose, documentary film run into transformation.

Dedi Mulyadi make use of culture as strategy to lead Purwakarta, and its bring up Pro and Contra in the middle of society.

In its production this film uses Biografi Genre with Sub-genre Profile. We choose expository documentary with narration as “Voice of God” to tell the story more clearly and focus with the topic.
