LEMBAR PENGESAHAN SKRIPSI. ................................................................. ii
ABSTRACT ........................................................................................................ iii
ABSTRAK ........................................................................................................... iv
KATA PENGANTAR .................................................................................. v
DAFTAR ISI ........................................................................................................ vii
DAFTAR TABEL ................................................................................................. x
DAFTAR GAMBAR .................................................................................... xi
DAFTAR LAMPIRAN ..................................................................................... xii

BAB I  PENDAHULUAN
A. Latar Belakang ......................................................................................... 1
B. Rumusan Masalah .................................................................................. 7
C. Tujuan Penelitian .................................................................................. 7
D. Kontribusi Penelitian ........................................................................... 8
   1. Kontribusi Akademis .......................................................................... 8
   2. Kontribusi Praktis ............................................................................. 8

BAB II  KAJIAN PUSTAKA, RERANGKA PEMIKIRAN
         DAN HIPOTESIS
A. Kajian Pustaka ....................................................................................... 9
   1. Manajemen Sumber Daya Manusia ................................................... 9
   2. Kinerja ................................................................................................. 14
   3. Budaya Organisasi .......................................................................... 23
   4. Disiplin Kerja .................................................................................... 27
   5. Lingkungan Kerja ............................................................................. 32
   6. Penelitian Terdahulu ........................................................................ 40
B. Rerangka Pemikiran dan Hipotesis ..................................................... 44
   1. Rerangka Pemikiran ........................................................................ 44
   2. Hipotesis ............................................................................................ 45

BAB III  METODE PENELITIAN
A. Waktu dan Tempat Penelitian .............................................................. 48
   1. Waktu penelitian .............................................................................. 48
   2. Tempat Penelitian ............................................................................ 48
B. Desain Penelitian ................................................................................ 48
C. Definisi dan Operasional Variabel ..................................................... 49
1. Definisi Variabel ................................................................. 49
2. Operasional Variabel ............................................................ 50
D. Skala Pengukuran ................................................................. 53
E. Populasi dan Sampel ............................................................. 54
  1. Populasi Penelitian ............................................................. 54
  2. Sampel Penelitian ............................................................. 54
F. Teknik Pengumpulan Data ..................................................... 54
G. Metode Analisis Data ............................................................ 56
  1. Statistik Deskriptif ............................................................. 56
  2. Uji Kualitas Data ............................................................... 57
    a. Uji Validitas ............................................................... 57
    b. Uji Reliabilitas ............................................................ 57
  3. Analisis Regresi Linier Berganda ......................................... 58
    a. Uji Normalitas ............................................................. 58
    b. Uji Multikolinieritas ....................................................... 59
    c. Uji Heteroskedastisitas ................................................ 59
  4. Uji Ketepatan Model ........................................................... 60
  5. Uji Hipotesis ................................................................. 61

BAB IV HASIL DAN PEMBAHASAN
A. Gambaran Umum Objek Penelitian ....................................... 62
  1. Tempat dan Waktu Penelitian ............................................. 62
  2. Struktur Organisasi Perusahaan ......................................... 65
  3. Karakteristik Responden .................................................... 65
    a. Karakteristik Responden Berdasarkan Usia .................... 65
    b. Karakteristik Responden Berdasarkan Jenis Kelamin .... 66
    c. Karakteristik Responden Berdasarkan Pendidikan ..... 67
B. Hasil Uji Statistik Deskriptif .................................................. 67
C. Hasil Uji Kualitas Data .......................................................... 72
  1. Hasil Uji Validitas ........................................................... 72
  2. Hasil Uji Reliabilitas ........................................................ 76
D. Hasil Uji Asumsi Klasik ........................................................ 76
  1. Hasil Uji Normalitas .......................................................... 76
  2. Hasil Uji Multikolinieritas ................................................. 78
  3. Hasil Uji Heteroskedastisitas ............................................ 79
E. Hasil Analisis Regresi Linier Berganda ................................... 80
F. Hasil Uji Hipotesis ............................................................ 82
  1. Hasil Uji Hipotesis Koefisien Determinasi (R²) .............. 82
  2. Hasil Uji Ketepatan Model (Uji Statistik F) .................... 83
  3. Hasil Uji Signifikan Parsial (Uji t) ................................. 84
