PERNYATAAN .................................................................................................................. i
PENGESAHAN ................................................................................................................ ii
ABSTRAK ......................................................................................................................... iii
ABSTRACT ....................................................................................................................... iv
KATA PENGANTAR .......................................................................................................... v
Daftar Isi .............................................................................................................................. vi
Daftar Gambar .................................................................................................................... viii
Daftar tabel ........................................................................................................................ x

Bab I: PENDAHULUAN ......................................................................................................... 1
  1.1. Latar Belakang Masalah ............................................................................................. 1
  1.2. Rumusan Permasalahan ........................................................................................... 2
  1.3. Maksud, Tujuan, Manfaat Penelitian ....................................................................... 2
  1.4. Sistematika Pembahasan .......................................................................................... 3
  1.5. Kerangka Pikir Penelitian ....................................................................................... 4
  1.6. Definisi Oprasional .................................................................................................. 5

Bab II: KAJIAN PUSTAKA ..................................................................................................... 6
  2.1. Landasan Teoritis ..................................................................................................... 6
  2.2. Kajian Teoritis ......................................................................................................... 7
      2.2.1. OTTV .................................................................................................................... 7
      2.2.2. FASAD BANGUNAN ........................................................................................ 14
Laporan Penelitian
Kajian Fasad Bangunan Terhadap Nilai OTTV
Studi kasus: Gereja POUK Maranatha Tangerang

2.2.1. Perpindahan Panas .................................................................22

2.3. Kerangka Teoritis.................................................................25

Bab III: METODE PENELITIAN ..................................................26

3.1. Pendekatan ..............................................................................26

3.2. Tahapan Penelitian .................................................................28

3.2.1. Pencarian Data .................................................................28

3.2.1. Observasi Lapangan .........................................................28

3.2.1. Perhitungan Manual OTTV ..............................................29

3.3. Sampling Penelitian ...............................................................29

3.3.1. Lokasi .................................................................................29

3.3.2. Data fisik objek penelitian ................................................31

3.4. Metode Pengumpulan Data dan Instrumen Penelitian ..............34

3.4.1. Metode Pengumpulan Data ...............................................34

3.4.2. Instrumen Penelitian ..........................................................35

3.5. Metode Analisa Data ...............................................................37

Bab IV: PENGUMPULAN DAN PENGOLAHAN DATA ...............38

4.1. Data survey ............................................................................38

4.1.1. Foto – Foto ........................................................................38

4.2. Pengolahan Data ..................................................................40

4.2.1. Penentuan nilai variabel dalam OTTV ...............................40

4.2.2. Penilaian OTTV .................................................................46

Bab V: TAHAPAN PERUMUSAN KESIMPULAN DAN REKOMENDASI ....53

5.1 Kesimpulan .............................................................................53

5.2. Rekomendasi ..........................................................................54

Daftar Pustaka ..................................................................................55
