SURAT PERNYATAAN KARYA SENDIRI ...................................................... i
LEMBAR PENGESAHAN SKRIPSI ................................................................. ii
ABSTRAK ............................................................................................................ iv
KATA PENGANTAR ........................................................................................... v
DAFTAR ISI ....................................................................................................... viii
DAFTAR TABEL................................................................................................. xi
DAFTAR GAMBAR ........................................................................................... xii
DAFTAR LAMPIRAN ...................................................................................... xiii

BAB I PENDAHULUAN
A. Latar Belakang Penelitian ................................................................. 1
B. Rumusan Masalah ................................................................................... 7
C. Tujuan dan Kontribusi Penelitian ................................................................. 7
   1. Tujuan Penelitian .............................................................................. 7
   2. Kontribusi Penelitian ..................................................................... 8

BAB II KAJIAN PUSTAKA, RERANGKA PEMIKIRAN DAN HIPOTESIS
A. Kajian Pustaka ......................................................................................... 9
   1. Teori Agensi (Agency Theory) ......................................................... 9
   2. Teori Sinyal (Signaling Theory) ....................................................... 10
   3. Nilai Perusahaan ............................................................................. 10
   4. Keputusan Investasi ...................................................................... 11
   5. Investment Opportunity Set (IOS) ................................................... 12
   6. Kebijakan Dividen ......................................................................... 15

BAB III METODE PENELITIAN
A. Waktu dan Tempat Penelitian ................................................................. 33
B. Desain Penelitian .................................................................................. 33
C. Definisi dan Operasional Variabel .......................................................... 34
   1. Variabel Dependen ............................................................................. 34
   2. Variabel Independen ........................................................................ 35
D. Populasi dan Sampel .............................................................................. 37
   1. Populasi ............................................................................................. 37
   2. Sampel .............................................................................................. 38
E. Teknik dan Pengumpulan Data ............................................................... 40
F. Metode Analisis Data ............................................................................. 40
   1. Analisis Statistik Deskriptif ................................................................. 40
   2. Uji Asumsi Klasik ............................................................................. 41
   3. Uji Kelayakan Model ....................................................................... 44
   4. Uji Hipotesis .................................................................................... 45

BAB IV HASIL DAN PEMBAHSAN
A. Gambaran Umum .................................................................................. 47
B. Hasil Uji Statistik Deskriptif ................................................................. 47
C. Uji Asumsi Klasik ................................................................................ 50
   1. Hasil Uji Normalitas ........................................................................ 51
   2. Hasil Uji Multikolineritas ................................................................. 52
3. Hasil Uji Heteroskedestisitas ................................................................. 53
4. Hasil Uji Autokorelasi ............................................................................ 54
D. Uji Kesesuain Model .................................................................................. 55
   1. Uji Koefisien Determinan (R²)............................................................... 55
   2. Hasil Uji Signifikansi Simultan (Uji F).................................................. 56
E. Hasil Uji Hipotesis ..................................................................................... 57
   1. Hasil Uji Signifikansi Parameter Individual (Uji t)............................... 57
   2. Analisis Regresi Linier Berganda ........................................................... 58
F. Pembahasan ................................................................................................ 60
   1. Pengaruh Keputusan Investasi terhadap Nilai Perusahaan ................. 60
   2. Pengaruh Investment Opportunity Set terhadap Nilai Perusahaan ...... 61
   3. Pengaruh Kebijakan Dividen terhadap Nilai Perusahaan ..................... 62
BAB V KESIMPULAN DAN SARAN
A. Kesimpulan ................................................................................................ 64
B. Keterbatasan Penelitian .............................................................................. 65
C. Saran ........................................................................................................... 65
DAFTAR PUSTAKA ........................................................................................... 66
LAMPIRAN .......................................................................................................... 68
