DAFTAR TABEL

2.1 Tabel Ringkasan Penelitian Terdahulu ............................................. 21
3.1 Tabel Pengukuran Operasional Variabel ........................................... 31
3.2 Tabel Jumlah Sampel Penelitian ....................................................... 33
3.3 Tabel Daftar Sampel Perusahaan ...................................................... 34
4.1 Tabel Statistik Deskriptif Variabel Penelitian ................................. 42
4.2 Tabel Uji Normalitas ......................................................................... 45
4.3 Tabel Uji Multikolonieritas ............................................................... 48
4.4 Tabel Uji Autokorelasi ..................................................................... 49
4.5 Tabel Uji Heteroskedastisitas ............................................................. 50
4.6 Tabel Uji Determinasi ($R^2$) ............................................................. 52
4.7 Tabel Uji Signifikan Simultan (Uji Statistik F) ................................. 53
4.8 Tabel Uji Parsial (Uji-t) ............................................................... 54
4.9 Tabel Kesimpulan Penelitian ............................................................. 55
