LEMBAR PENGESAHAN SKRIPSI ........................................................... ii
ABSTRACT ................................................................................................... iii
KATA PENGANTAR ................................................................................... iv
DAFTAR ISI .................................................................................................. vii
DAFTAR TABEL .......................................................................................... ix
DAFTAR GAMBAR ..................................................................................... x
DAFTAR LAMPIRAN .................................................................................. xi

BAB I : PENDAHULUAN
A. Latar Belakang Penelitian ........................................................................... 1
B. Rumusan Masalah Penelitian ................................................................... 9
C. Tujuan dan Kontribusi Penelitian ............................................................ 9
   1. Tujuan Penelitian ............................................................................. 9
   2. Kontribusi Penelitian ..................................................................... 10

BAB II : KAJIAN PUSTAKA, KERANGKA PEMIKIRAN DAN HIPOTESIS
A. Kajian Pustaka ....................................................................................... 11
   1. Teori Stakeholder ........................................................................... 11
   2. Teori Legitimasi ........................................................................... 12
   3. Corporate Social Responsibility (CSR) ..................................... 13
   4. Return On Assets (ROA) ............................................................ 17
   5. Dewan Pengawas Syariah ............................................................. 18
   6. Dewan Komisaris .......................................................................... 19
   7. Penelitian Terdahulu ..................................................................... 19
B. Kerangka Pemikiran ............................................................................. 24
C. Hipotesis ............................................................................................... 27

BAB III : METODE PENELITIAN
A. Waktu dan Tempat Penelitian .............................................................. 28
B. Desain Penelitian .................................................................................. 28
C. Definisi dan Operasional Variabel ....................................................... 29
   1. Definisi Variabel .......................................................................... 29
   2. Operasionalisasi Variabel .............................................................. 31
D. Populasi dan Sampel Penelitian .......................................................... 32
BAB IV HASIL DAN PEMBAHASAN

A. Gambaran Umum Objek Penelitian .......................................................... 41
B. Statistik Deskriptif .................................................................................. 41
C. Uji Asumsi Klasik .................................................................................. 45
   1. Uji Normalitas ...................................................................................... 45
   2. Uji Multikolinearitas ........................................................................... 47
   3. Uji Autokorelasi ................................................................................... 49
   4. Uji Heteroskedastisitas ....................................................................... 50
D. Uji Kesesuaian Model ........................................................................... 51
   1. Uji Determinasi($R^2$) ...................................................................... 51
   2. Uji Signifikan Simultan (Uji Statistik F) ............................................ 52
   3. Uji Parsial (Uji-t) ............................................................................... 53
E. Pembahasan ............................................................................................... 56

BAB V SIMPULAN DAN SARAN

A. Simpulan .................................................................................................. 59
B. Saran ......................................................................................................... 60
