BAB I : PENDAHULUAN ........................................................................... 1
  1.1. Latar Belakang Masalah ................................................................. 3
  1.2. Fokus Penelitian ........................................................................... 3
  1.3. Identitas Penelitian ....................................................................... 3
  1.4. Tujuan Penelitian ......................................................................... 4
    1.4.1 Manfaat Akademis .................................................................. 4
    1.4.2 Manfaat Praktis ..................................................................... 4

BAB II : TINJAUAN PUSTAKA ................................................................. 5
  2.1. Penelitian Terdahulu .................................................................... 5
  2.2. Studi Pustaka ............................................................................... 6
    2.2.1 Film ......................................................................................... 6
    2.2.2 Sejarah Film ........................................................................... 7
    2.2.3 Fungsi Film ........................................................................... 8
    2.2.4 Unsur-Unsur Pembentukan Film .............................................. 8

BAB III : METODE PENELITIAN

3.1 Paradigma Penelitian...............................................................30
3.2 Tipe Penelitian........................................................................32
3.3 Metode Penelitian.................................................................33
3.4 Unit Analisis............................................................................34
3.5 Teknik Pengumpulan Data.....................................................36
  3.5.1 Data Premier.................................................................37
  3.5.2 Data Sekunder...............................................................37
BAB VI : HASIL PENELITIAN DAN PEMBAHASAN

4.1 Gambar Objek Penelitian

4.2 Hasil Penelitian Dan Pembahasan

BAB V : KESIMPULAN

5.1 Kesimpulan

5.2 Saran
