BAB I PENDAHULUAN ..................................................................... 1
  A. Latar Belakang Penelitian ......................................................... 1
  B. Rumusan Masalah Penelitian .................................................... 5
  C. Tujuan dan Kontribusi Penelitian .............................................. 7
     1. Tujuan Penelitian ................................................................. 7
     2. Kontribusi Penelitian .......................................................... 7
        a. Kontribusi praktik atau kebijakan .................................... 7
        b. Kontribusi Akademik ....................................................... 8

BAB II KAJIAN PUSTAKA, RERANGKA PEMIKIRAN DAN HIPOTESIS ................................................................................ 9
  A. Kajian Pustaka ......................................................................... 9
     1. Teori Agensi (Agency Theory) .............................................. 9
     2. Teori Legitimasi (Legitimacy Theory) .................................. 10
     3. Teori Pemangku Kepentingan (Stakeholder Theory) ............ 12
     4. Pengertian Corporate Governance ....................................... 13
        a. Kepemilikan Institusional ................................................. 15
        b. Dewan Komisaris Independen ......................................... 16
     5. Pengertian Diversitas Pengurus ............................................ 17
        a. Diversitas Gender .......................................................... 18
        b. Diversitas Pendidikan ...................................................... 20
        c. Diversitas Nationality ..................................................... 21
BAB III METODE PENELITIAN ........................................... 37
A. Waktu dan Tempat Penelitian ........................................ 37
B. Desain Penelitian ............................................................. 37
C. Definisi dan Operasionalisasi Variabel ................................ 38
   1. Variabel Dependen ......................................................... 39
   2. Variabel Independen ...................................................... 40
      a. Kepemilikan Institusional ........................................... 40
      b. Dewan Komisaris Independen ..................................... 41
      c. Diversitas Gender ..................................................... 42
      d. Diversitas Pendidikan ................................................ 42
      e. Diversitas Nationality ................................................ 43
D. Populasi dan Sampel Penelitian ......................................... 45
   1. Populasi Penelitian ....................................................... 45
   2. Sampel Penelitian ........................................................... 45
E. Teknik Pengumpulan Data ................................................ 47
F. Metode Analisis ............................................................... 47
   1. Statistik Deskriptif ......................................................... 47
   2. Uji Asumsi Klasik ......................................................... 47
      a. Uji Normalitas ............................................................ 48
      b. Uji Multikolinearitas ................................................... 48
      c. Uji Heteroskedastisitas .............................................. 49
      d. Uji Autokorelasi ........................................................ 50
   3. Uji Hipotesis ................................................................. 51
      a. Koefisien Determinasi ($R^2$) ..................................... 51
      b. Uji Signifikanri Simultan (Uji Statistik F) ...................... 51
   4. Uji Analisis Regresi Linier Berganda ............................... 52
BAB IV HASIL DAN PEMBAHASAN ........................................... 53
A. Deskripsi Subjek Penelitian
.................................................................................................................. 53
B. Deskripsi Variabel Penelitian ........................................................................................................ 54
C. Hasil Uji Asumsi Klasik .................................................................................................................. 57
   1. Hasil Uji Normalitas ...................................................................................................................... 57
   2. Hasil Uji Multikolinearitas ........................................................................................................... 58
   3. Hasil Uji Heteroskedastitas .......................................................................................................... 59
   4. Hasil Uji Autokorelasi .................................................................................................................. 61
D. Hasil Uji Hipotesis ............................................................................................................................ 62
   1. Uji Koefisien Determinasi ($R^2$) ............................................................................................. 62
   2. Uji Signifikansi Simultan (Uji Statistik) ...................................................................................... 63
E. Analisis Regresi Linier Berganda .................................................................................................... 64
F. Pembahasan Hasil Penelitian ......................................................................................................... 65

BAB V SIMPULAN DAN SARAN ........................................................................................................ 68
A. Simpulan ........................................................................................................................................ 68
B. Saran ............................................................................................................................................ 70
