BAB I PENDAHULUAN................................................................................. 1
1.1. Latar Belakang Penelitian ................................................................. 1
1.2. Fokus Penelitian ............................................................................. 7
1.3. Tujuan Penelitian .......................................................................... 7
1.4. Manfaat Penelitian ........................................................................ 7
   1.4.1. Manfaat Akademis ................................................................... 7
   1.4.2. Manfaat Praktis ...................................................................... 8

BAB II TINJAUAN PUSTAKA................................................................. 9
2.1. Penelitian Terdahulu ...................................................................... 9
2.2. Komunikasi ..................................................................................... 11
   2.2.1. Pengertian Komunikasi ............................................................ 11
   2.2.2. Fungsi Komunikasi ................................................................. 16
   2.2.3. Tujuan Komunikasi ................................................................. 17
   2.2.4. Prinsip Prinsip Komunikasi ..................................................... 18
   2.2.5. Proses Komunikasi ................................................................. 19
   2.2.6. Teknik Komunikasi ................................................................. 22
2.3. Komunikasi Interpersonal ............................................................ 25
   2.3.1. Pengertian Komunikasi Interpersonal ................................... 25
   2.3.2. Ciri ciri Komunikasi Interpersonal ....................................... 29

2.5. Hambatan-Hambatan Dalam Komunikasi Antar Pribadi .......... 53

2.6. Pernikahan Antar Etnis .................................................... 55

BAB III METODOLOGI PENELITIAN ........................................ 57
   3.1. Paradigma Penelitian ..................................................... 57
   3.2. Metode Penelitian ........................................................ 58
   3.3. Subyek Penelitian ........................................................ 59
   3.4. Teknik Pengumpulan Data .............................................. 60
       3.4.1. Data Primer .......................................................... 60
       3.4.2. Data Sekunder ........................................................ 61
   3.5. Teknik Analisis Data ...................................................... 62
   3.6. Teknik Pemeriksaan Keabsahan Data ................................. 62

BAB IV PEMBAHASAN ............................................................. 64
   4.1. Gambaran Umum Objek Penelitian .................................... 64
       4.1.1. Profil Informan ....................................................... 65
           4.1.1.1. Narasumber I .................................................... 65
