## BAB 1 PENDAHULUAN

1. Latar Belakang .............................................. 1
2. Rumusan Masalah .............................................. 2
3. Batasan Masalah .............................................. 2
4. Metode Perancangan ........................................... 2
5. Sistematika Penulisan .......................................... 4

## BAB 2 TINJAUAN PUSTAKA

1. Teori ...................................................... 5
   1.1. Marketplace ............................................. 5
   1.2. Penjualan Online ........................................ 5
   1.3. Pemasaran ............................................. 5
   1.4. Website ............................................... 6
   1.5. Metode Pieces .......................................... 6
   1.6. Metode Waterfall ...................................... 6
   1.7. Usability ............................................. 8
   2.2. Penelitian Terkait ...................................... 8

## BAB 3 TUJUAN DAN MANFAAT PENELITIAN

1. Tujuan Penelitian ........................................ 14
2. Manfaat Penelitian ........................................ 14
BAB 4 METODE PENELITIAN ........................................................................................................ 15
  4.1. Lokasi Penelitian .................................................................................................................. 15
  4.2. Sarana Pendukung ................................................................................................................ 15
    4.2.1. Perangkat Keras .............................................................................................................. 15
    4.2.2. Perangkat Lunak ............................................................................................................ 15
  4.3. Teknik Pengumpulan Data ................................................................................................... 16
  4.4. Diagram Alir Penelitian ....................................................................................................... 17
    4.4.1. Langkah – langkah Penelitian ....................................................................................... 18

BAB 5 HASIL DAN PEMBAHASAN ............................................................................................... 20
  5.1. Gambaran Umum Perusahaan ............................................................................................ 20
  5.2. Struktur Organisasi ............................................................................................................ 20
  5.3. Analisa Sistem Berjalan ...................................................................................................... 21
  5.4. Identifikasi Masalah ........................................................................................................... 22
  5.5. Analisis Kebutuhan ............................................................................................................. 24
  5.6. Perancangan Sistem Usulan ............................................................................................... 25
    5.6.1. Usecase Diagram Sistem ............................................................................................... 27
    5.6.2. Activity Diagram ............................................................................................................. 36
    5.6.3. Sequens Diagram ........................................................................................................... 51
    5.6.4. Class Diagram ............................................................................................................... 66
    5.6.5. Rancangan Spesifikasi Basis Data ................................................................................... 67
  5.7. Perancangan Antar Muka Pelanggan .................................................................................. 74
    5.7.1. Home .............................................................................................................................. 74
    5.7.2. Produk ............................................................................................................................ 75
    5.7.3. Detil Produk .................................................................................................................... 75
    5.7.4. Berita ............................................................................................................................. 76
    5.7.5. Tentang .......................................................................................................................... 76
    5.7.6. Buka Toko ..................................................................................................................... 77
    5.7.7. Keranjang ..................................................................................................................... 77
    5.7.8. Chat ............................................................................................................................... 78
    5.7.9. Profil ............................................................................................................................. 78
    5.7.10. Pesanan Saya ................................................................................................................ 79
    5.7.11. Riwayat Pesanan .......................................................................................................... 79
    5.7.12. Retur ............................................................................................................................ 80
  5.8. Rancangan Antar Muka Penjual ......................................................................................... 80
    5.8.1. Profil Toko ...................................................................................................................... 80
    5.8.2. Produk Penjual ............................................................................................................... 81
    5.8.3. Tambah Produk .............................................................................................................. 81
    5.8.4. Pemesanan .................................................................................................................... 82
    5.8.5. Pengiriman .................................................................................................................... 82
    5.8.6. Retur Penjual ................................................................................................................ 83
    5.8.7. Riwayat Penjualan ....................................................................................................... 83
BAB 6 Kesimpulan dan Saran .......................................................... 101
6.1. Kesimpulan ........................................................................ 101
6.2. Saran .................................................................................. 101

DAFTAR PUSTAKA ........................................................................ 102

LAMPIRAN .................................................................................. 104
Lampiran 1. Curriculum Vitae ......................................................... 104
Lampiran 2. Kartu Asistensi ............................................................. 105
Lampiran 3. Surat Keterangan Riset ................................................. 106
Lampiran 4. Kuisioner Penelitian .................................................... 107
