DAFTAR TABEL .............................................................................................................................. xi
DAFTAR GAMBAR ........................................................................................................................ xv

BAB 1 PENDAHULUAN ............................................................................................................... 1
  1.1. Latar Belakang .................................................................................................................... 1
  1.2. Rumusan Masalah ............................................................................................................ 2
  1.3. Batasan Masalah ............................................................................................................... 2
  1.4. Sistemtika Penulisan ....................................................................................................... 2

BAB 2 TINJAUAN PUSTAKA ...................................................................................................... 4
  2.1. Teori Umum ....................................................................................................................... 4
  2.1. Penelitian Terkait ............................................................................................................. 6

BAB 3 TUJUAN DAN MANFAAT PENELITIAN ....................................................................... 10
  3.1. Tujuan Penelitian ........................................................................................................... 10
  3.2. Manfaat Penelitian ......................................................................................................... 10

BAB 4 METODE PENELITIAN .................................................................................................. 11
  4.1. Lokasi Penelitian ............................................................................................................ 11
  4.2. Waktu Penelitian ........................................................................................................... 11
  4.3. Sarana Pendukung ......................................................................................................... 11
  4.4. Teknik Pengumpulan Data ......................................................................................... 12
  4.5. Diagram Alir Penelitian .............................................................................................. 13

BAB 5 HASIL DAN PEMBAHASAN .......................................................................................... 14
  5.1. Gambaran Umum Perusahaan ...................................................................................... 14
  5.2. Analisis Sistem Berjalan ............................................................................................... 15
  5.3. Analisa Sistem ............................................................................................................... 16
