FOREWORD

My gratitude goes to God Almighty, because of His blessings and grace, I can finish this Thesis Report. The writing of this thesis report was carried out in order to fulfill one of the requirements to achieve a Bachelor of Computer degree at the Faculty of Computer Science, University of Mercu Buana. I realize that, without the help and guidance of various parties, from the lecture period to the preparation of this thesis, it would be very difficult for me to complete this thesis report. Therefore, I would like to thank:

1. Prof. Dr. Andi Adriansyah, M. Eng. as rector of Mercu Buana University
2. Yaya Sudarya Triana, M.Kom., Ph.D. as Dean of the Faculty of Computer Science
3. Ir. Emil R. Kaburuan, Ph.D., IPM. as the Head of the Study Program Technical Information
4. Dr. Leonard Geoirmanto, ST., M.Sc. as a Supervisor who has given time, energy, and thoughts to direct me in the preparation of this thesis
5. Vina Ayumi, S.Kom.,M.Kom. as the Final Assignment Examiner for his corrections, directions and input
6. Ir. Emil R. Kaburuan, Ph.D., IPM. as the Final Assignment Examiner for his corrections, directions and input
7. Afiyati, S.Si., MT. as the Final Assignment Examiner for his corrections, directions and input
8. The author's parents who always support and pray for the writer so that he is able to complete the thesis proposal well.
9. Diana Shufia Achmadi as the author's girlfriend who always supports and helps with all the difficulties faced by the writer.
10. Muhammad Imtiyaz Nurdiansyah Haris and Priananda Azhar as the author's friends who always provide support, both mental support and prayer so that the writer can finish this proposal well.

Finally, I hope that God Almighty is pleased to repay all the kindness of all those who have helped. Hopefully this thesis report will bring benefits to the development of science.
