OWN WORK STATEMENT

I am the undersigned:

Name : Muhammad Fathin Adiva
NIM : 41519010199
Courses : Technical Information
Thesis Report Title : Face Recognition for Online Class Attendance Using
Deep Learning

Stating that this Thesis Report is my own work and not plagiarism, and all sources both cited and referenced have been correctly stated by me. If it turns out that it is found that in my Thesis Report there is an element of plagiarism, then I am ready to get academic sanctions that apply at Mercu Buana University.

Ir. Emil R. Kaburuan, Ph.D., IPM

FOREWORD

Praise be to God Almighty, because for His blessings and mercy, I was able to complete this Thesis Report. The writing of this Thesis Report is carried out in order to meet one of the requirements to achieve a Bachelor of Computer Science degree at the Faculty of Computer Science, Mercu Buana University. I realized that, without the help and guidance of various parties, from the lecture period to the preparation of this thesis, it was very difficult for me to complete this Thesis Report. Therefore, I would like to thank:

1. Prof. Dr. Andi Adriansyah, M. Eng. as rector of Mercu Buana University
2. Yaya Sudarya Triana, M.Kom., Ph.D. as Dean of the Faculty of Computer Science
3. Ir. Emil R. Kaburuan, Ph.D., IPM. as the Head of the Informatics Engineering Study Program
4. Vina Ayumi, M.Kom. as a supervisor who has given time, energy, and thoughts to direct me in the preparation of this thesis;
5. Dr. Leonard Goeirmanto, ST, M.Sc. as a Final Project Examiner Lecturer for corrections and directions and input.
6. Emil Robert Kaburuan, S.T., M.A, Ph.D., IPM. as a Chief Final Project Examiner Lecturer for corrections and directions and input.
7. Afiyati, S.Si, MT. as a Final Project Examiner Lecturer for corrections and directions and input.

Finally, I wish God Almighty the pleasure of repaying all the kindness of all those who have helped. Hopefully this Thesis Report will bring benefits for the development of science.

**FINAL PROJECT PUBLICATION APPROVAL STATEMENT PAGE FOR
ACADEMIC PURPOSES**

As an academic community member of Mercu Buana University, I am the undersigned:

Name : Muhammad Fathin Adiva
NIM : 41519010199
Courses : Informatics Engineering
Thesis Report Title : Face Recognition for Online Class Attendance Using Deep Learning

For the development of science, hereby grant permission and agree to grant to Mercu Buana University a *Non-exclusive Royalty-Free Right* for my scientific work entitled above along with existing devices (if needed).

With this Non-Exclusive Royalty-Free Right, Mercu Buana University has the right to store, transfer media / format, manage in the form of a *database (database)*, maintain, and publish my Internship / Thesis / Thesis / Dissertation Report if it still lists my name as an author / creator and as the owner of copyright.

Thus, this statement I made actually.
