Fintech Bulanan (SILAFLAN) Pada Otoritas Jasa
Keuangan (OJK)

Mata kuliah Tugas Akhir ini merupakan salah satu mata kuliah wajib bagi Seluruh Mahasiswa Fakultas Ilmu Komputer di Universitas Mercubuana. Penelitian ini bertujuan untuk dokumentasi atas hasil penelitian yang dilaksanakan selama 6 bulan di Otoritas Jasa Keuangan (OJK). Penelitian ini dilaksanakan mulai pukul 08.00 sampai dengan pukul 17.00 WIB, di Direktorat Pengaturan, Perizinan dan Pengawasan Financial Technology OJK yang beralamat di Gedung Wisma Mulias 2 Lt. 15, Jl. Gatot Subroto, RT.6/ RW.1, Kuningan Barat, Kec. Mampang Prapatan, Kota Jakarta Selatan Daerah Khusus Ibukota Jakarta 12710.

Selama pelaksanaan kegiatan penelitian ini, penulis mendapatkan tugas untuk membuat sebuah Aplikasi berbasis *website* yang nantinya digunakan untuk merekap data bulanan *fintech lending*. Berdasarkan hal-hal yang dilakukan selama pelaksanaan kerja praktek, penulis dapat mengetahui tugas dan wewenang di lokasi penelitian, tentang cara bersikap dan berperilaku dengan baik ditempat kerja agar tercipta rasa saling menghargai satu sama lain. Yang terpenting kerja praktik memberikan pengalaman dan mengenal dunia pekerjaan yang sesungguhnya.

Title : Analysis and Design of Information Systems
Monthly Fintech Reports (SILAFLAN) at the
Financial Services Authority (OJK)

This Final Project course is one of the compulsory subjects for all students of the Faculty of Computer Science at Mercubuana University. This study aims to document the results of research carried out for 6 months at the Financial Services Authority (OJK). This research was conducted from 08.00 to 17.00 WIB, at the Directorate of Regulation, Licensing and Supervision of *Financial Technology* OJK which is located at Wisma Mulias Building 2 Lt. 15, Jl. Gatot Subroto, RT.6/ RW.1, Kuningan Barat, Kec. Mampang Prapatan, City of South Jakarta Special Capital Region of Jakarta 12710.

During the implementation of this research activity, the author was assigned to create a website-based application which would later be used to recap monthly fintech lending data. Based on the things that were done during the implementation of practical work, the writer was able to find out the duties and authorities at the research location, about how to behave and behave properly at work so as to create a sense of mutual respect for one another. Most importantly, practical work provides experience and gets to know the real world of work.
