EDUCATION

Bachelor of Industrial Engineering
Pamulang University

2017 - 2021

Master of Industrial Engineering
Mercu Buana University

2022 - 2024

EXPERTISE

- Management Skills
- Analysis Thinking
- Critical Thinking
- Negotiation

PROFILE

'A confident and highly organised administrative professional with experience in office consistently impressing employers in fast-track advancement to more senior positions'

Meticulous in my approach to data collection and presentation, I setup and maintain records, incorporating critical information and running according to SOP.

WORK EXPERIENCE

Batam Aero Technic, Tangerang 2014 - NOW

Functional Technical Record (Aircraft Batik Air)

- Verification and updating status for the aircraft to airworthiness team.
- Record hours maintenance aircraft from dirty finger.
- Update status for the aircraft to airworthiness team.
- Preparing document to clients.
- Checking and monitoring all the documents from engineering to the lessor / clients.
