**ABSTRAK**

Penagihan pajak masih belum efektif dilaksanakan tanpa adanya peraturan yang bersifat memaksa. Surat teguran, surat peringatan atau surat lain yang sejenis telah diterbitkan apabila penanggung pajak tidak melunasi utang pajaknya sampai dengan tanggal jatuh tempo, tetapi kenyataannya seringkali kurang mendapat perhatian oleh wajib pajak.

Penelitian ini bertujuan menguji pengaruh surat teguran dan surat paksa terhadap penerimaan pencairan tunggakan pajak. Penelitian ini dilakukan di wilayah Kantor Pelayanan Pajak Wajib Pajak Besar pada tahun 2012 - 2014 sebagai sampel penelitian. Metode penelitian menggunakan penelitian kausal dan metode analisis data yang digunakan adalah analisis regresi linear berganda.

Hasil penelitian menunjukkan bahwa surat teguran dikirimkan kepada wajib pajak mempunyai pengaruh signifikan terhadap penerimaan pencairan tunggakan pajak oleh wajib pajak. Secara umum kesadaran wajib pajak di wilayah Kantor Pelayanan Pajak Wajib Pajak Besar masih rendah, terbukti setiap tahun wajib pajak menunggak relatif tinggi.
